4.2 **Funding Limited.** The Funder is not responsible for any commitment or expenditure by the Hospital in excess of the Funding that the Hospital makes in order to meet its commitments under this Agreement, nor does this Agreement commit the Funder to provide additional funds during or beyond the term of this Agreement.

4.3 **Limitation on Payment of Funding.** Despite section 4.1, the Funder will not provide any Funding to the Hospital in respect of a Funding Year until the agreement for that Funding Year has been duly signed on behalf of the Hospital, whether by amendment to this Agreement or otherwise. Despite the foregoing, if:

4.3.1 the Hospital is unable to obtain necessary approval of its Board prior to the beginning of a Funding Year; and

4.3.2 the Hospital notifies the Funder:

(a) that it requires this Agreement to be extended to enable the Hospital to obtain the necessary approval of its Board; and,

(b) of the date by which the Hospital Board’s approval will be obtained,
then, with the written approval of the Funder, this Agreement and Funding for the then-current Funding Year will continue into the following Funding Year for a period of time specified by the Funder.

4.4 Rebates, Credits, Refunds and Interest Income. (a) use the Funding only for the purpose of providing the Hospital Services in accordance with the terms of this Agreement and any amendments to this Agreement, whether by funding letter or otherwise;

(b) not use in-year Funding for major building renovations or construction, or for direct expenses relating to research projects; and,

A. Facilitating an Annual Balanced Operating Budget. The parties will work together to identify budgetary flexibility and manage in-year risks and pressures to facilitate the achievement of an Annual Balanced Operating Budget for the Hospital.

Upon written request of the Hospital, the Funder may, in its discretion, waive the obligation to achieve an Annual Balanced Operating Budget on such terms and conditions as the Funder may deem appropriate. Where such a waiver is granted, it and the conditions attached to it will form part of this Agreement.

4.5.2 All Funding is subject to all Applicable Law and Applicable Policy, including Health System Funding Reform, as it may evolve or be replaced over the term of this Agreement.

4.6 PCOP. The Hospital acknowledges and agrees that, despite any other provision of this Agreement, unless expressly agreed otherwise in writing, all PCOP Funding is subject to all of the terms and conditions of the funding letter or letters pursuant to which it was initially provided and all of the terms and conditions of this Agreement. For certainty, those funding letters are attached as Schedule C.4.

4.7 Estimated Funding Allocations.
4.7.1 The Hospital’s receipt of any “Estimated Funding Allocation” in Schedule A is subject to section 4.8 below and subsequent written confirmation from the Funder.

4.7.2 In the event the Funding confirmed by the Funder is less than the Estimated Funding Allocation, the Funder will have no obligation to adjust any related performance requirements unless and until the Hospital demonstrates to the Funder’s satisfaction that the Hospital is unable to achieve the expected performance requirements with the confirmed Funding. In such circumstances the gap between the Estimated Funding and the confirmed Funding will be deemed to be material.

4.7.3 In the event of a material gap in Funding, the Funder and the Hospital will adjust the related performance requirements.

4.8 Appropriation. Funding under this Agreement is conditional upon an appropriation of moneys by the Legislature of Ontario to the Ministry and funding of the Funder by the Ministry pursuant to the Enabling Legislation. If the Funder does not receive its anticipated funding, the Funder will not be obligated to make the payments required by this Agreement.

4.9 Funding Increases. Before the Funder can make an allocation of additional funds to the Hospital, the parties will: (1) agree on the amount of the increase; (2) agree on any terms and conditions that will apply to the increase; and (3) execute an amendment to this Agreement that reflects the agreement reached.

Article 5. REPAYMENT AND RECOVERY OF FUNDING

5.1 Funding Recovery. Recovery of Funding may occur for the following reasons:

5.1.1 the Funder makes an overpayment to the Hospital that results in the Hospital receiving more Funding than specified in this Agreement and any funding letters;

5.1.2 a financial reduction under section 13.1 is assessed;

5.1.3 as a result of a system planning process under section 7.2.6;

5.1.4 as a result of an integration decision made under the Enabling Legislation by the Funder; or

5.1.5 to temporarily reallocate Funding to cover incremental costs of another provider where the Hospital has reduced Hospital Services outside of the applicable Performance Corridor without agreement of the Funder and the services are provided by another provider; and

5.1.6 with respect only to Funding that has been provided expressly subject to recovery,

(a) contractual conditions for recovery of such Funding are met; and
(b) if in the Hospital’s reasonable opinion or in the Funder’s reasonable opinion after consulting with the Hospital, the Hospital will not be able to use the Funding in accordance with the terms and conditions on which it was provided.

5.2 **Process for Recovery of Funding Generally.**

5.2.1 Generally, if the Funder, acting reasonably, determines that a recovery of Funding under section 5.1 is appropriate, then the Funder will give 30 Days’ Notice to the Hospital.

5.2.2 The Notice will describe:

(a) the amount of the proposed recovery;
(b) the term of the recovery, if not permanent;
(c) the proposed timing of the recovery;
(d) the reasons for the recovery; and
(e) the amendments, if any, that the Funder proposes be made to the Hospital’s obligations under this Agreement.

5.2.3 Where a Hospital disputes any matter set out in the Notice, the parties will discuss the circumstances that resulted in the Notice and the Hospital may make representations to the Funder about the matters set out in the Notice within 14 Days of receiving the Notice.

5.2.4 The Funder will consider the representations made by the Hospital and will advise the Hospital of its decision. Funding recoveries, if any, will occur in accordance with the timing set out in the Funder’s decision. No recovery of Funding will be implemented earlier than 30 Days after the delivery of the Notice.

5.3 **Process for Recovery of Funding as a Result of System Planning or Integration.** If Hospital Services are reduced as a result of a system planning process under section 7.2.6 or an integration decision made under the Enabling Legislation, the Funder may recover Funding as agreed in the process in section 7.2.6 or as set out in the decision, and the process set out in section 5.2 will apply.

5.4 **Full Consideration.** In making a determination under section 5.2, the Funder will act reasonably and will consider the impact, if any, that a recovery of Funding will have on the Hospital’s ability to meet its obligations under this Agreement.

5.5 **Consideration of Weighted Cases.** Where a settlement and recovery is primarily based on volumes of cases performed by the Hospital, the Funder may consider the Hospital’s actual total weighted cases.
5.6 **Hospital’s Retention of Operating Surplus.** In accordance with the Ministry’s 1982 (revised 1999) Business Oriented New Development Policy (BOND), the Hospital will retain any net income or operating surplus of income over expenses earned in a Funding Year, subject to any in-year or year-end adjustments to Funding in accordance with Article 5. Any net income or operating surplus retained by the Hospital under the BOND policy must be used in accordance with the BOND policy. If using operating surplus to start or expand the provision of clinical services, the Hospital will comply with section 7.2.1.

5.7 **Funder Discretion Regarding Case Load Volumes.** The Funder may consider, where appropriate, accepting case load volumes that are less than a Service Volume or Performance Standard, and the Funder may decide not to settle and recover from the Hospital if such variations in volumes are: (1) only a small percentage of volumes; or (2) due to a fluctuation in demand for the services.

5.8 **Settlement and Recovery of Funding for Prior Years.**

5.8.1 The Hospital acknowledges that settlement and recovery of Funding can occur up to seven years after the provision of Funding.

5.8.2 The Hospital agrees that if the parties are directed in writing to do so by the Ministry, the Funder will settle and recover funding provided by the Ministry to the Hospital prior to the transition of the funding for the services or program to the Funder, provided that such settlement and recovery occurs within seven years of the provision of the funding by the Ministry. All such settlements and recoveries will be subject to the terms applicable to the original provision of funding.

5.9 **Debt Due.**

5.9.1 If the Funder requires the re-payment by the Hospital of any Funding in accordance with this Agreement, the amount required will be deemed to be a debt owing to the Crown by the Hospital. The Funder may adjust future Funding instalments to recover the amounts owed or may, at its discretion, direct the Hospital to pay the amount owing to the Crown. The Hospital will comply with any such direction.

5.9.2 All amounts owing to the Crown will be paid by cheque payable to the “Ontario Minister of Finance” and mailed to the Funder at the address provided in section 14.1.

5.9.3 The Funder may charge the Hospital interest on any amount owing by the Hospital at the then current interest rate charged by the Province of Ontario on accounts receivable.

**Article 6. HOSPITAL SERVICES**

6.1 **Hospital Services.** The Hospital will:
6.1.1 achieve the Performance Standards described in the Schedules and the HSAA Indicator Technical Specifications;

6.1.2 not reduce, stop, start, expand, cease to provide or transfer the provision of Hospital Services to another hospital or to another site of the Hospital if such action would result in the Hospital being unable to achieve the Performance Standards described in the Schedules and the HSAA Indicator Technical Specifications; and

6.1.3 not restrict or refuse the provision of Hospital Services that are funded by the Funder to an individual, directly or indirectly, based on the geographic area in which the person resides in Ontario, and will establish a policy prohibiting any health care professional providing services at the Hospital, including physicians, from doing the same.

**Article 7. PLANNING AND INTEGRATION**

7.1 Planning for Future Years.

7.1.1 Multi-Year Planning. The Planning Submission will be submitted to the Funder at the time and in the format required by the Funder and may require the Hospital to incorporate:

(a) prudent multi-year financial forecasts;

(b) plans for the achievement of Performance Targets; and

(c) realistic risk management strategies in respect of (a) and (b).

The Hospital’s Planning Submission will be aligned with the LHIN’s current integrated health service plan, as defined in LHSIA, if applicable, and will reflect the Funder’s priorities and initiatives. If the Funder has provided multi-year planning targets for the Hospital, the Planning Submissions will reflect the planning targets.

7.1.2 Multi-Year Planning Targets. Schedule A may reflect an allocation for the first Funding Year of this Agreement as well as planning targets for up to two additional years, consistent with the term of this Agreement. In such an event:

(a) the Hospital acknowledges that if it is provided with planning targets, these targets are:

A. targets only;

B. provided solely for the purposes of planning;

C. subject to confirmation; and

D. may be changed at the discretion of the Funder in consultation with the Hospital. The Hospital will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets; and

(b) the Funder agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.
7.2 System Planning.

“Pre-proposal” means a notice from the Hospital to the Funder that informs the Funder of a potential integration for the health system in sufficient detail to enable the Funder to assess how the integration would impact the Hospital Services, Funding and the health system, including access to, and quality and cost of, services.

The parties acknowledge that sections 8.7, and 8.8 may apply to a confidential pre-proposal.

7.2.1 General. As required by the Enabling Legislation, the parties will separately and in conjunction with each other identify opportunities to integrate the services of the local health system to provide appropriate, co-ordinated, effective and efficient services. The Hospital acknowledges the importance of advance notice for system planning purposes. If the Hospital is planning to significantly reduce, stop, start, expand or cease to provide clinical services and operational activities that support those clinical services or to transfer any such services to another site of the Hospital, anywhere, and such action does not result in the Hospital being unable to achieve the Performance Standards described in the Schedules and the HSAA Indicator Technical Specification, then the Hospital will inform the Funder of such change with a view to providing the Funder with time to mitigate adverse impacts.

7.2.2 Pre-proposal. The Hospital may inform the Funder, by means of a pre-proposal, of integration opportunities in the health system. The Hospital will inform the Funder by means of a pre-proposal if the Hospital is considering an integration of its services with those of another person or entity.

7.2.3 Further Consideration of Pre-proposal. Following the Funder’s review and evaluation of the pre-proposal and subject to section 7.2.5, the Funder may invite the Hospital to submit a detailed proposal and business case for further analysis. The Funder will provide the Hospital with guidelines for the development of a detailed proposal and business case.

7.2.4 Funder Evaluation of the Pre-proposal not Consent. A pre-proposal will not constitute a notice of an integration under the Enabling Legislation. The Funder’s assent to develop the concept outlined in a pre-proposal does not: (a) constitute the Funder’s approval to proceed with an integration; (b) presume the Funder or the Minister will not issue a decision ordering the Hospital not to proceed with the integration under the Enabling Legislation; or (c) preclude the Funder from exercising its powers under the Enabling Legislation.

7.2.5 Act Prevails. Nothing in this section prevents the Hospital from providing the Funder or the Minister, as applicable, with notice of integration at any time in accordance with the Enabling Legislation.

7.2.6 Process for System Planning. If:
(a) the Hospital has identified an opportunity to integrate its Hospital Services with that of one or more other health service providers, or integrated care delivery systems ("Other Providers");
(b) the Other Providers have agreed to the proposed integration with the Hospital;
(c) the Hospital and the Other Providers have agreed on the amount of funds needed to be transferred from the Hospital to one or more of the Other Providers to effect the integration as planned between them and the Hospital has notified the Funder of this amount;
(d) the Hospital has complied with its obligations under the Enabling Legislation, the integration proceeds or will proceed as planned in accordance with the Enabling Legislation;
(e) then the Funder may recover from the Hospital, Funding specified in Schedule A and agreed by the Hospital as needed to facilitate the integration.

7.3 Reviews and Approvals.

7.3.1 Timely Response. Subject to section 7.3.2, and except as expressly provided by the terms of this Agreement, the Funder will respond to Hospital submissions requiring a response from the Funder in a timely manner and in any event, within any time period set out in Schedule B. If the Funder has not responded to the Hospital within the time period set out in Schedule B, following consultation with the Hospital, the Funder will provide the Hospital with written Notice of the reasons for the delay and a new expected date of response. If a delayed response from the Funder could reasonably be expected to have a prejudicial effect on the Hospital, the Hospital may refer the matter for issue resolution under Article 11.

7.3.2 Exceptions. Section 7.3.1 does not apply to: (i) any notice provided to the Funder or Minister under the Enabling Legislation, which will be subject to the timelines of the Enabling Legislation; and (ii) any report required to be submitted to the Ministry by the Funder for which the Ministry response is required before the Funder can respond.

Article 8. REPORTING

8.1 Generally. The Funder’s ability to enable the health system to provide appropriate, co-ordinated, effective and efficient services, as contemplated by the Enabling Legislation, is dependent on the timely collection and analysis of accurate information.
8.2 **General Reporting Obligations.** The Hospital will provide to the Funder, or to such other person or entity as the parties may reasonably agree, in the form and within the time specified by the Funder, the Reports, other than personal health information as defined in the Enabling Legislation, that the Funder requires for the purposes of exercising its powers and duties under this Agreement, the Enabling Legislation or for the purposes that are prescribed under any Applicable Law. For certainty, nothing in this section 8.2 or in this Agreement restricts or otherwise limits the Funder’s right to access or to require access to personal health information as defined in the Enabling Legislation, in accordance with Applicable Law.

8.3 **Certain Specific Reporting Obligations.** Without limiting the foregoing, the Hospital will fulfill the specific reporting requirements set out in Schedule B. The Hospital will ensure that all Reports are in a form satisfactory to the Funder, are complete, accurate and signed on behalf of the Hospital by an authorized signing officer, and are provided to the Funder in a timely manner.

8.4 **Additional Reporting Obligations.**

8.4.1 **French Language Services.** If the Hospital is required to provide services to the public in French under the provisions of the *French Language Services Act*, the Hospital will submit a French language services report to the Funder annually. If the Hospital is not required to provide services to the public in French under the provisions of the *French Language Service Act*, the Hospital will provide a report to the Funder annually that outlines how the Hospital addresses the needs of its Francophone community.

8.4.2 **Community Engagement and Integration.** The Hospital will report annually on its community engagement and integration activities and at such other times as the Funder may request from time to time, using any templates provided by the Funder.

8.4.3 **Reporting to Certain Third Parties.** The Hospital will submit all such data and information to the Ministry, Canadian Institute for Health Information or to any other third party, as may be required by any health data reporting requirements or standards communicated by the Ministry to the Hospital. To the extent that the Hospital is unable to comply with the foregoing without adversely impacting its ability to perform its other obligations under this Agreement, the Hospital may notify the Funder and the parties will escalate the matter to their respective CEOs and Board Chairs, if so requested by either party.

8.5 **System Impacts.** Throughout the term of this Agreement, the Hospital will promptly inform the Funder of any matter that the Hospital becomes aware of that materially impacts or is likely to materially impact the health system, or could otherwise be reasonably expected to concern the Funder.

8.6 **Hospital Board Reports.**
8.6.1 **Hospital Board to be Informed.** Periodically throughout the Funding Year and at least quarterly, the Hospital’s Board will receive from the Hospital’s Board committees, CEO and other appropriate officers, such reports as are necessary to keep the Board, as the governing body of the Hospital, appropriately informed of the performance by the Hospital of its obligations under this Agreement, including the degree to which the Hospital has met, and will continue throughout the Funding Year to meet, its Performance Targets and its obligation to plan for and achieve an Annual Balanced Operating Budget.

8.6.2 **Hospital Board to Report to Funder.** The Hospital will provide to the Funder, annually, and quarterly upon request of the Funder, a declaration of the Hospital’s Board, signed by the Chair, declaring that the Board has received the reports referred to in this Section.

8.7 **Confidential Information.** The receiving party will treat Confidential Information of the disclosing party as confidential and will not disclose Confidential Information except:

8.7.1 with the prior consent of the disclosing party; or

8.7.2 as required by law or by a court or other lawful authority, including the Enabling Legislation and FIPPA.

8.8 **Required Disclosure.** If the receiving party is required, by law or by a court or by other lawful authority, to disclose Confidential Information of the disclosing party, the receiving party will: promptly notify the disclosing party before making any such disclosure, if such notice is not prohibited by law, the court or other lawful authority; cooperate with the disclosing party on the proposed form and nature of the disclosure; and, ensure that any disclosure is made in accordance with the requirements of Applicable Law and within the parameters of the specific requirements of the court or other lawful authority.

8.9 **Document Retention and Record Maintenance.** The Hospital will:

8.9.1 retain all records (as that term is defined in FIPPA) related to the Hospital’s performance of its obligations under this Agreement for seven years after this Agreement ceases to be in effect, whether due to expiry or otherwise. The Hospital’s obligations under this section will survive if this Agreement ceases to be in effect, whether due to expiry or otherwise;

8.9.2 keep all financial records, invoices and other financially-related documents relating to the Funding or otherwise to the Hospital Services in a manner consistent with international financial reporting standards as advised by the Hospital’s auditor; and

8.9.3 keep all non-financial documents and records relating to the Funding or otherwise to the Hospital Services in a manner consistent with all Applicable Law.
8.10 **Final Reports.** If this Agreement ceases to be in effect, whether due to expiry or otherwise, the Hospital will provide to the Funder all such reports as the Funder may reasonably request relating to, or as a result of, this Agreement ceasing to be in effect.

**Article 9. PERFORMANCE MANAGEMENT, IMPROVEMENT AND REMEDIATION**

9.1 **General Approach.** The parties will strive to achieve on-going performance improvement. They will follow a proactive, collaborative and responsive approach to performance management and improvement. Either party may request a meeting at any time. The parties will use their best efforts to meet as soon as possible following a request.

9.2 **Notice of a Performance Factor.** Each party will notify the other party, as soon as reasonably possible, of any Performance Factor. The Notice will:

9.2.1 describe the Performance Factor and its actual or anticipated impact;

9.2.2 include a description of any action the party is undertaking, or plans to undertake, to remedy or mitigate the Performance Factor;

9.2.3 indicate whether the party is requesting a meeting to discuss the Performance Factor; and

9.2.4 address any other issue or matter the party wishes to raise with the other party, including whether the Performance Factor may be a Factor Beyond the Hospital’s Control.

9.2.5 The recipient party will acknowledge in writing receipt of the Notice within seven Days of the date on which the Notice was received (“Date of the Notice”).

9.3 **Performance Meetings.** Where a meeting has been requested under section 9.2.3, the parties will meet to discuss the Performance Factor within 14 Days of the Date of the Notice. The Funder can require a meeting to discuss the Hospital’s performance of its obligations under this Agreement, including a result for a Performance Indicator or a Service Volume that falls outside the applicable Performance Standard.

9.4 **Performance Meeting Purpose.** During a performance meeting, the parties will:

9.4.1 discuss the causes of the Performance Factor;

9.4.2 discuss the impact of the Performance Factor on the local health system and the risk resulting from non-performance; and

9.4.3 determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the “Performance Improvement Process”).

9.5 **Performance Improvement Process.**
The purpose of the Performance Improvement Process is to remedy or mitigate the impact of a Performance Factor. The Performance Improvement Process may include:

(a) a requirement that the Hospital develop an Improvement Plan; or
(b) an amendment of the Hospital’s obligations as mutually agreed by the parties.

Any Performance Improvement Process begun under a prior agreement will continue under this Agreement. Any performance improvement required by a Funder under a prior agreement will be deemed to be a requirement of this Agreement until fulfilled.

Factors Beyond the Hospital’s Control. If the Funder, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the Hospital’s Control:

the Funder will collaborate with the Hospital to develop and implement a mutually agreed upon joint response plan which may include an amendment of the Hospital’s obligations under this Agreement;

the Funder will not require the Hospital to prepare an Improvement Plan; and

the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the Hospital’s Control.

Hospital Improvement Plan.

Development of an Improvement Plan. If, as part of a Performance Improvement Process, the Funder requires the Hospital to develop an Improvement Plan, the process for the development and management of the Improvement Plan is as follows:

(a) The Hospital will submit the Improvement Plan to the Funder within 30 Days of receiving the Funder’s request. In the Improvement Plan, the Hospital will identify remedial actions and milestones for monitoring performance improvement and the date by which the Hospital expects to meet its obligations.

(b) Within 15 business Days of its receipt of the Improvement Plan, the Funder will advise the Hospital which, if any, remedial actions the Hospital should implement immediately. If the Funder is unable to approve the Improvement Plan as presented by the Hospital, subsequent approvals will be provided as the Improvement Plan is revised to the satisfaction of the Funder.

(c) The Hospital will implement all aspects of the Improvement Plan for which it has received written approval from the Funder, upon receipt of such approval.
(d) The Hospital will report quarterly on progress under the Improvement Plan, unless the Funder advises the Hospital to report on a more frequent basis. If Hospital performance under the Improvement Plan does not improve by the timelines in the Improvement Plan, the Funder may agree to revisions to the Improvement Plan.

The Funder may require, and the Hospital will permit and assist the Funder in conducting, a Review of the Hospital to assist the Funder in its consideration and approval of the Improvement Plan. The Hospital will pay the costs of this Review.

9.7.2 **Peer/Funder Review of Improvement Plan.** If Hospital performance under the Improvement Plan does not improve in accordance with the Improvement Plan, or if the Hospital is unable to develop an Improvement Plan satisfactory to the Funder, the Funder may appoint an independent team to assist the Hospital to develop an Improvement Plan or revise an existing Improvement Plan. The independent team will include a representative from another hospital selected with input from the Ontario Hospital Association. The independent team will work closely with the representatives from the Hospital and the Funder. The Hospital will submit a new Improvement Plan or revisions to an existing Improvement Plan within 60 Days of the appointment of the independent team or within such other time as may be agreed to by the parties.

**Article 10. REPRESENTATIONS, WARRANTIES AND COVENANTS**

10.1 **General.** The Hospital represents, warrants and covenants that:

10.1.1 it is, and will continue for the term of this Agreement to be, a validly existing legal entity with full power to fulfill its obligations under this Agreement;

10.1.2 subject to Applicable Law, it has made reasonable efforts to ensure that the Hospital Services are and will continue to be provided by persons with the experience, expertise, professional qualifications, licensing and skills necessary to complete their respective tasks;

10.1.3 it holds all permits, licences, consents, intellectual property rights and authorities necessary to perform its obligations under this Agreement;

10.1.4 all information (including information relating to any eligibility requirements for Funding) that the Hospital provided to the Funder in support of its request for Funding was true and complete at the time the Hospital provided it, and will, subject to the provision of Notice otherwise, continue to be materially true and complete for the term of this Agreement; and

10.1.5 it does and will continue to operate for the term of this Agreement, in compliance with Applicable Law and Applicable Policy.

10.2 **Execution of Agreement.** The Hospital represents and warrants that:

10.2.1 it has the full power and authority to enter into this Agreement; and
10.2.2 it has taken all necessary actions to authorize the execution of this Agreement.

10.3 **Governance.** The Hospital represents, warrants and covenants that it will follow good governance practices comparable to those set out in the Ontario Hospital Association’s Governance Centre of Excellence’s “Guide to Good Governance” as it may be amended; will undertake an accreditation process which will include a review of its governance practices; and will promptly remedy any deficiencies that are identified during that accreditation process.

10.4 **Supporting Documentation.** The Hospital acknowledges that the Funder may, pursuant to the Enabling Legislation, require proof of the matters referred to in this Article 10.

**Article 11. ISSUE RESOLUTION**

11.1 **Principles to be Applied.** The parties acknowledge that it is desirable to use reasonable efforts to resolve issues and disputes in a collaborative manner. This includes avoiding disputes by clearly articulating expectations, establishing clear lines of communication, and respecting each party’s interests.

11.2 **Informal Resolution.** The parties acknowledge that it is desirable to use reasonable efforts to resolve all issues and disputes through informal discussion and resolution. To facilitate and encourage this informal resolution process, the parties may jointly develop a written issues statement. Such an issues statement may:

11.2.1 describe the facts and events leading to the issue or dispute;

11.2.2 consider:

(a) the severity of the issue or dispute, including risk, likelihood of harm, likelihood of the situation worsening with time, scope and magnitude of the impact, likely impact with and without prompt action taken;

(b) whether the issue or dispute is isolated or part of a pattern;

(c) the likelihood of the issue or dispute recurring and if recurring, the length of time between occurrences;

(d) whether or not the issue or dispute is long-standing; and

(e) whether previous mitigation strategies have been ignored; and

11.2.3 list potential options for its resolution, which may include:

(a) performance management, in accordance with sections 9.4 through 9.7;

(b) a Review of the Hospital or a facilitated resolution, which may involve the assistance of external supports, such as peers, coaches, mentors and facilitators (“Facilitation”).
11.3 **Escalation.** If the issue or dispute cannot be resolved at the level at which it first arose, either party may refer it to the senior staff member of the Funder who is responsible for this Agreement and to their counterpart in the senior management of the Hospital. If the dispute cannot be resolved at this level of senior management, either party may refer it to its respective CEO. The CEOs may meet within 14 Days of this referral and attempt to resolve the issue or dispute. If the issue or dispute remains unresolved 30 Days after the first meeting of the CEOs, then either party may refer it to their respective Board Chairs (or Board member designate) who may attempt to resolve the issue or dispute.

11.4 **Reviews and Facilitations.** The Hospital will cooperate in every Review and Facilitation. The Hospital acknowledges that for the purposes of any Review, the Funder may exercise its powers under the Enabling Legislation.

11.5 **Funder Resolution.** Nothing in this Agreement prevents the Funder from exercising any statutory or other legal right or power, or from pursuing the appointment of a supervisor of the Hospital with the Ministry, at any time.

**Article 12. INSURANCE AND INDEMNITY**

12.1 **Limitation of Liability.** The Indemnified Parties will not be liable to the Hospital or any of the Hospital’s Personnel and Volunteers for costs, losses, claims, liabilities and damages howsoever caused arising out of or in any way related to the Hospital Services or otherwise in connection with this Agreement, unless caused by the negligence or wilful misconduct of the Indemnified Parties.

12.2 **Same.** For greater certainty and without limiting section 12.1, the Funder is not liable for how the Hospital and the Hospital’s Personnel and Volunteers carry out the Hospital Services and is therefore not responsible to the Hospital for such Hospital Services; moreover the Funder is not contracting with, or employing, any of the Hospital’s Personnel and Volunteers to carry out the terms of this Agreement. As such, the Funder is not liable for contracting with, employing or terminating a contract or the employment of, any of the Hospital’s Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the Hospital’s Personnel and Volunteers required by the Hospital to perform its obligations under this Agreement.

12.3 **Indemnification.** The Hospital will indemnify and hold harmless the Indemnified Parties from and against any and all costs, expenses, losses, liabilities, damages and expenses (including legal, expert and consultant fees), causes of action, actions, claims, demands, lawsuits or other proceedings (collectively “Claims”) by whomever made, sustained, brought or prosecuted (including for third party bodily injury (including death), personal injury and property damage) in any way based upon, occasioned by or attributable to anything done or omitted to be done by the Hospital or the Hospital’s Personnel and Volunteers in the course of performance of the Hospital’s obligations under, or otherwise in connection with, this Agreement, unless caused by the negligence or wilful misconduct of an Indemnified Party.
12.4 **Insurance.**

12.4.1 **Required Insurance.** The Hospital will put into effect and maintain, for the term of this Agreement, at its own expense, with insurers having a secure A.M. Best rating of B+ or greater, or the equivalent, all the necessary and appropriate insurance that a prudent person in the business of the Hospital would maintain including the following.

**(a) Commercial General Liability Insurance.** Commercial general liability insurance, for third-party bodily injury, personal injury and property damage to an inclusive limit of not less than five million dollars per occurrence and not less than two million dollars for products and completed operations in the aggregate. The policy will include the following clauses:

A. The Indemnified Parties as additional insureds;
B. Contractual Liability;
C. Cross Liability;
D. Products and Completed Operations Liability;
E. Employers Liability and Voluntary Compensation unless the Hospital can provide proof of *Workplace Safety and Insurance Act, 1997* ("WSIA") coverage as described in section 12.4.2(b);
F. Non-Owned automobile coverage with blanket contractual and physical damage coverage for hired automobiles, except that such coverage may nevertheless exclude liability assumed by any person insured by the policy voluntarily under any contract or agreement other than directors, officers, employees and volunteers of the Hospital pertaining only to the liability arising out of the use or operation of their automobiles while on the business of the Hospital; and
G. A thirty-day written notice of cancellation, termination or material change.

**(b) All-Risk Property Insurance.** All-risk property insurance on property of every description providing coverage to a limit of not less than the full replacement cost, including earthquake and flood. Such insurance will be written to include replacement cost value. All reasonable deductibles and/or self-insured retentions are the responsibility of the Hospital.

**(c) Boiler and Machinery Insurance.** Boiler and machinery insurance (including pressure objects, machinery objects and service supply objects) on a comprehensive basis. Such insurance will be written to include repair and replacement value. All reasonable deductibles and/or self-insured retentions are the responsibility of the Hospital.
(d) **Professional Liability Insurance.** Professional liability insurance to an inclusive limit of not less than five million dollars per occurrence for each claim of negligence resulting in bodily injury, death or property damage, arising directly or indirectly from the professional services rendered by the Hospital, its officers, agents or employees.

(e) **Directors and Officers Liability Insurance.** Directors and officers liability insurance to an inclusive limit of not less than two million dollars per claim, with an annual aggregate of not less than four million dollars, responding to claims of wrongful acts of the Hospital’s directors, officers and board committee members and of the Hospital’s volunteer association and auxiliary in the discharge of their duties on behalf of the Hospital or the volunteer association or auxiliary, as applicable.

12.4.2 **Proof of Insurance.** As requested by the Funder from time to time, the Hospital will provide the Funder with proof of the insurance required by this Agreement in the form of any one or more of:

(a) a valid certificate of insurance that references this Agreement and confirms the required coverage;

(b) a valid WSIA Clearance Certificate or a letter of good standing, as applicable, unless the Hospital has in effect Employers Liability and Voluntary Compensation as described above; and

(c) copy of each insurance policy.

12.4.3 **Subcontractors.** The Hospital will ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain.

**Article 13. REMEDIES FOR NON-COMPLIANCE**

13.1 **Planning Cycle.** The success of the planning cycle depends on the timely performance of each party. To ensure delays do not have a material adverse effect on Hospital Services or Funder operations, the following provisions apply:

13.1.1 If the Funder fails to meet an obligation or due date in **Schedule B**, the Funder may do one or all of the following:

(a) adjust funding for the Funding Year to offset a material adverse effect on Hospital Services resulting from the delay; and/or

(b) work with the Hospital in developing a plan to offset any material adverse effect on Hospital Services resulting from the delay, including providing Funder approvals for any necessary changes in Hospital Services.

13.1.2 At the discretion of the Funder, the Hospital may be subject to a financial reduction if the Hospital’s:

(a) Planning Submission is received by the Funder after the due date in **Schedule B** without prior Funder approval of such delay;
Hospital Service Accountability Agreement for 2018-20

(b) Planning Submission is incomplete;
(c) quarterly performance reports are not provided when due; or
